FELLOWSHIP APPLICATION

EQUIPPING MINISTRIES FELLOWSHIP

The Center for Public Justice invites Hispanic-led, faith-based ministry and church leaders to apply for the Equipping Ministries Fellowship. The Equipping Ministries Fellowship is a two-year learning community that brings together believers who seek to take practical steps to do justice and be light in their communities as the Body of Christ. The Equipping Ministries Fellowship helps participating Hispanic ministry leaders discover how to use the tools they already have and gain key knowledge and resources to increase their impact in their ministries, congregations and wider communities.

The Equipping Ministries Fellowship is a program of the Center for Public Justice.
